TECHNICAL SKILLS

Data & Analytics: Python (Pandas, NumPy, scikit-learn, Matplotlib,), SQL, Power BI, Excel.

Machine Learning: Random Forest, Classification, Regression, Feature Engineering, Model Evaluation

Web & Backend: HTML, CSS, Git, Jupyter Notebook, VS Code

Databases: MySQL, MongoDB

Languages & CS: Python, JavaScript, C | OOP, DBMS, Computer Networks, OS

EXPERIENCE

Inventron Technologies

Bengaluru, India

Data Analyst Intern

February 2026 – May 2026

- Cleaned and transformed 15,000+ records using Python (Pandas, NumPy), reducing data inconsistencies by ~35% and improving downstream model accuracy.
- Designed and deployed three interactive dashboards in Power BI cutting manual reporting time by 40% and enabling real-time KPI tracking.
- Performed EDA and applied statistical methods (correlation analysis, hypothesis testing) on sales data, uncovering 5+ actionable trends that informed business decisions.
- Automated data extraction and reporting workflows using Python scripts, saving ~6 hours/week and reducing report generation time by 50%.

PROJECTS

Admission Assistant: Rank-Based College Predictor

June 2025 – November 2025

Python, Random Forest, Pandas, Streamlit

- Built a Random Forest model achieving ~87% accuracy to predict college options based on entrance ranks and historical admission data.
- Processed 20,000+ admission records using Pandas, improving data quality, and boosting model reliability by 30%.
- Deployed a Streamlit web app enabling students to enter ranks and view predicted college results interactively.

Online Car Rental Service

May 2024 – September 2024

Node.js, MySQL, JavaScript, HTML, CSS, JWT, REST API

- Built a full-stack responsive car rental platform with end-to-end booking workflows (search, book, manage).
- Implemented RESTful backend with Node.js and MySQL with JWT authentication, securing 100% of user sessions.
- Designed 5+ normalized relational database tables for users, vehicles, bookings, and admin management.

EDUCATION

B.E. Information Science and Engineering

2022 - 2026 | CGPA: 8.01

Bapuji Institute of Engineering and Technology, Davangere

Pre-University Course (PUC) - Science

2020 – 2022 | 76.17%

Vikasa Comp P U College, Shivamogga

CERTIFICATIONS & LANGUAGES

Introduction to Cybersecurity – Cisco(netacad)

English: Proficient

Power BI for Beginners – Simplilearn

Kannada: Native

Introduction to AI – Infosys Springboard

Hindi: Intermediate
